Review of permit from RIDEM Wetlands program – permit is for wetland crossing and disturbance of 1/3 acre of wetlands, Applicant is Carmine Olivieri.

* Revising CC review criteria: please look at the last three unnumbered pages (before the Appendices) in the L,W,C& Summit document, "Beyond Sustainability: The Spectrum of Ecological Design" on revision strategies. These "worksheet" pages consider the approach of one model to doing site and building assessments. It would be nice to have this revision complete and usable by the end of summer!

An audiotape copy of the minutes will be provided if requested by a vision-impaired person at least forty-eight (48) hours in advance of the meeting.
