**Re: BMX Park –Development Plan Review: AP 49, Lot 1**  
on Barnett Lane/ Town Pizza site  
Preliminary Plan

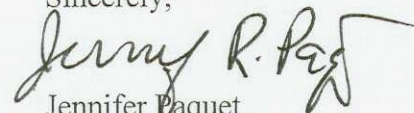

Dear Mr. [REDACTED]:

One of the items missing from the Preliminary package is a letter from RIDEM stating that either the wetlands act does not apply, or that a permit has been granted. The Limit of Disturbance from the Town Pizza approval is not maintained by the proposed development. RIDEM has jurisdiction over wetlands, and the Town cannot supersede the State requirements. I would encourage you to discuss with your engineer submitting either a Request for Regulatory Applicability to RIDEM, or a Request for Preliminary Determination. Your engineer will know best what type of application submission is appropriate for your project.

I have forwarded the plans to the Town's consulting engineer for further review.

Please contact me at 392-3800 x 121 if you have any questions.

Sincerely,

Jennifer Paquet  
Town Planner
