Please consider joining us for the fourth year of this popular old home town event. It is a fun, educational, family oriented, outreach event sponsored by the West Greenwich Land Trust with emphasis on celebrating the beauty and history of scenic West Greenwich including nature, agriculture and local interests, music, food, activities, information, product exhibits, displays and sales. This year we will also be celebrating the opening of the historic and newly renovated 1750 church and meeting house and grounds; **Plain Meeting House. Our Special Thanks to: The Champlin Foundations** for the funding to renovate this historic building.
