FOR IMMEDIATE RELEASE:

**Voters can easily verify the location of their polling place**

Board of Elections reminds voters to confirm the location of their polling place for the Presidential Preference Primary.

PROVIDENCE, RI – On Tuesday, April 26 the Board of Elections will be overseeing the operation of 144 polling locations for the Presidential Preference Primary (PPP) to be held across the state. As with any election or primary, polling place locations are subject to change for a variety of reasons including the consolidation of locations or problems with the facility. Voters are urged to confirm the location of their polling place, which may be different than the polling place where they voted at in 2014.

Voters may confirm their polling place in different convenient ways:

- Go online to <https://sos.ri.gov/vic/>
- Call the Board of Canvassers where they reside (see attached list)
- Call the Board of Elections at 401-222-2345.

Additionally, the Board of Elections has required all cities and towns to post a sign at the entrance of each former polling place that was used in November 2014, but will not be used this upcoming Tuesday. The sign will direct the voter to the location being used as a polling place on April 26.

The Board of Elections has also required all cities and towns to hire hundreds of additional pollworkers, delivered hundreds of more voting booths, hired additional state technicians for any potential equipment problems, and put into place a process to monitor voter turnout at the polls and be able to quickly deliver additional ballots to any polling place that may require them.

For more information please call 401-222-2345 or visit <http://www.elections.ri.gov/>.
