In General Assembly, at Providence, the First Wednesday of April, 1741.

An Act for incorporating the west end of the Town of East Greenwich into a Township, and the same to be distinguished and known by the name of West Greenwich.

Whereas several of the inhabitants of the aforesaid Town of East Greenwich, by petition to this Assembly, did set forth the great disadvantage they labor under, on account of the great extent of said Town; and, as it is conceived, it will be more for the ease and benefit of all its inhabitants in transacting and negotiating the prudential affairs thereof, to have a division made;—

Be it therefore enacted by the General Assembly, and by the authority thereof it is enacted, that from the Westerly line of the old Township, into the Colony line, be set off and incorporated a Township, and the same to be distinguished and known by the name of West Greenwich; and that the inhabitants thereof, from time to time, shall have, and enjoy the like benefits, liberties, privileges and immunities with other Towns in this Colony, according to our charter.

And be it further enacted by the authority aforesaid, that John Spencer, Esq., a Justice of the Peace, living within the aforesaid new Town, remain in his office till the first Wednesday in May, next; and that he grant forth a warrant to call in the inhabitants of the said Town together on the Third Tuesday of this instant April, to elect such Town Officers as they shall have occasion for, as the law directs; and to appoint the time of their Town Meeting and the places, and to choose and elect two Deputies, to represent them at the next General Assembly, and so on, as by the Charter is directed.

And be it further enacted by the authority aforesaid, that said Town shall send one petit juror to the Superior Court of Judicature, Court of Assize, and General Jail Delivery; and one grand and one petit juror to the Inferior Court of Common Pleas and General Sessions of the Peace.

And it is also further enacted, that there be two Trustees appointed for the said new Town, for the letting out of its proportional part of the £20,000, order to be emetted.
