

ORDINANCE TO REGULATE STORAGE OF TOWN VEHICLES

I. All motor vehicles, construction vehicles, trucks and other such equipment, owned by the Town of West Greenwich, shall be kept and stored on property owned by said Town, at a place to be designated by the official having charge of the department to which such motor vehicle, construction equipment, truck or other such property is assigned.

II. Such official may permit the temporary storage or parking of such motor vehicle, or other such equipment on property not owned by said Town, but said Town shall not thereby become in any way obligated for storage, parking or other similar charges, and said motor vehicle, construction equipment, truck or other such property shall at all times, while stored or parked in such temporary manner be available for the business of said Town.

III. This Ordinance shall become effective upon passage.
