ORDINANCE

ORDINANCE REQUIRING PERMIT FOR REMOVAL OF FUELWOOD FROM TOWN OWNED LAND

Approved November 16, 1977

Be it ordained by the Town Council of the Town of West Greenwich as follows:

SECTION 1. PROHIBITION:

Hereinafter, no person shall take fuelwood from land owned by the Town of West Greenwich without first obtaining a permit from the Town Clerk for a period of time not to exceed one year.

SECTION 2. REQUIREMENTS:

The permit required by Section 1. shall contain the following provisions:

1. The Permittee shall remove wood only from the precise area designated by the Town Clerk.
2. The Permittee shall not hold the Town liable for injury to any person or theft, loss or damage to any equipment or property arising from natural risk of this type of work or because of negligence on the part of the Permittee or his agents.
3. Slash will be removed completely from roads, trails and streams. No cans, bottles, paper litter or debris may be left in the area.
4. Care shall be exercised at all times to prevent forest fires. The Permittee agrees to initiate immediate fire suppression activity on any fires which may occur on or adjacent to the designated area.

5. The Permittee is to furnish all labor and equipment necessary.

6. Any wood removed under this agreement may not be sold.

7. The Permittee may not remove more than two cords of wood per year from Town land under this permit system.

8. It is understood and agreed that because of fire danger, extenuating circumstances, or failure to comply with terms of this agreement, the Town has the right to terminate this agreement at any time, and the Permittee agrees to accept this termination.

9. This agreement may not be assigned, transferred, sold or made over to any other party.

SECTION 3. AGREEMENT REQUIRED:

The Town Clerk shall not issue the within permit unless the Permittee shall agree to the terms set forth above, in writing.

SECTION 4. EFFECTIVE DATE:

This Ordinance shall take effect upon its passage.
