C. ANNOUNCEMENTS

Council President Tourgee made the following announcements: The girl scouts will be at the Town Hall on Saturday, August 15th collecting food and clothing to assist RI's homeless. They will be going without food themselves and sleeping in boxes to get a better understanding as to what the homeless actually experience. Please support them if you are able. The Summer Concerts have been well attended and a lot of fun and have been well attended and the weather has been great. This Thursday we have local legend Steve DeMello along with his band Zink Alloy playing classic rock. On the 13th another resident, Bob Leonard and his band Slippery Sneakers will introduce us to Zydeco. If you haven't heard this type of music before, you are in for a treat. On the 20th the Wright Brothers and their band Breakheart Hill will entertain us with some Bluegrass music. The 27th we will feature The Mishnock All Stars starring the Mishnock Barn's Danny Albro for some classic rock. To round out the series, we will have Strange Ways on September 3rd. Concerts are paid by local business. Mark your calendars for Celebrate West Greenwich Day on Sunday, September 27th from noon until 5 P.M. There will be lots of events for both young and old: the Biomes traveling tidal pool, horse drawn wagon rides, a saw mill demonstration, Born to be Wild, B'Wana Iguana, music, local vendors and much more. To register for the apple pie contest, digital photo contest and the BBQ chicken dinner, please check out the town's website homepage at www.wgtownri.org. We will be hosting another Eco-Depot at the Town Hall this year on Saturday, August 22nd from 8 A.M. to 1 P.M. Eco-Depot is a drive up and drop-off event for your household hazardous waste—like fluorescent light bulbs, rechargeable batteries, unwanted pool chemicals or other household cleaning products with warnings like “poison” or “hazardous” on the label. See the Town's website for more information, or call the Town Planner.

Council President Tourgee read the following letter from Chief Brian Hoxsie: On July 25th, the US Department of Homeland Security, through its' Assistance to Firefighters Grant Program awarded a total of \$762,450.00 to Exeter Fire Company #1 for a regional project for the purpose of purchasing new Self Contained Breathing Apparatus (Scott-Air-Packs). I am proud to say that West Greenwich Fire and Rescue, and Hianloland Fire and Rescue both worked with Exeter Fire Company #1 and Exeter Fire Company #2 for the last several months to apply for, and secure this fantastic grant. All 4 companies will be purchasing all new, state-of-the-art breathing apparatus, to replace all existing breathing apparatus, for every riding position on each fire truck. While there is a 5% matching cost requirement for each department, this is truly a windfall for all of the departments involved, who are all guilty of utilizing outdated breathing apparatus. I believe that this is one of the top 5 highest awards nationwide, out of hundreds presented this year. This is a perfect example of how the Fire and Emergency Medical

Services in both of our towns are working together for the improvement of the services that we supply to our collective residents. Without regard for boundaries established decades, and even centuries ago, we have found a way to circumvent the barriers of Town, or in this case, even County borders. Given the current state of some of the fire service circumstances locally and statewide, I think this is a significant accomplishment.

Council President Tourgee requested Charlene Randall place this on the website.

Town Administrator Breene requested the Town Clerk send a letter of thanks to the Fire Companies.

D. CONSENT AGENDA - All items on the Consent Agenda are considered routine by the Town Council and may be enacted by one motion. There will be no separate discussion of these items unless a member of the Council so requests, in which event the item will be removed from Consent Agenda consideration and considered in sequential order

Councilman Mulcahey moved to approve the Consent Agenda.

Councilman Andrews seconded.
